Please transfer the \$30.00 per loan Skip-A-Payment fee from my: _____ Checking _____ Savings

I understand that Skip-A-Payment applies to loans that are in good standing and that my previous month's payment must be made. I also understand that interest will continue to accrue on my outstanding balance during this time and the term of my loan will be extended. I also understand that the last payment may be considerably more than my regular monthly payment due to the accrued interest during my extension period and any previously unpaid late fees. I also understand that any payment protection insurance that I may have on this loan will expire according to my original loan agreement. Skip-A-Pay applies only to either my November or December payment. If funds are not available for the Skip-A-Pay fee this offer is void. This request must be received and approved prior to my November or December due date.
